

In-person Project Training for Groups

CAPM® Exam Preparation - #102

I completed your CAPM course in March and passed the exam, and I wanted to thank you again for the great preparation your course gave me. I have subsequently found new employment in project management and the CAPM certification was a great help.

Scott
Grossman CAPM

“The reading assignments seemed to cover the PMBOK subject matter, but explained the material in a more logical or “readable” manner.”

Scott Blalock,
CAPM
